## Reduce Labor Costs, Increase Profits, and WIN More Jobs!!!!

Recent reports suggest that as much as 50% of our national Gross Domestic Product is in the public sector. The reports also suggest that contractors not solidly positioning themselves in this space run the risk of severe business contraction. This seminar will teach you:

1. How to maintain compliance with federal legislation. Ask yourself, **“Am I ready for an audit from the Dept of Labor?”**
2. How to be the most competitive in this bidding market
3. How to realize immediate savings on payroll burden and expenses
4. What makes a benefit program “bona fide” per the Department of Labor
5. How to leverage fringes to maximize owner and highly compensated employee retirement contributions
6. How to “hour bank” group benefits and mitigate COBRA risk as well as maintain employees “on benefit” during work stoppages
