Occupational License/Certification

State of Texas - Austin, Texas
Apprentice Electrician
License
Issued: 03/12/08
Expires: 03/12/09

Other Skills

Additional Skills:

My typing isn't very fast but I am familiar with Microsoft Word, Excel, XP, CAD and other programs. I have a little of office skill but not much. I have hands on or on the field hours for the last four years in the solar/residential field. I have installed battery back up and generator stand alone systems as well. Six years in the low-voltage field. Familiar with driving big 25 foot flat-bed trucks cargo straps and tie down safety procedures. Forklift friendly.
