Highlights

Shout out to Safety Manager Donna Stewart with Big State Electric.

Due to a sinus infection, she was unable to return to work. They had 3 new guys going out to a project that had not been drug screened. As she was unable to do it, she reached out to me to let me know what was going on so they didn't do anything against HCB policy. That's buying into our program. Thank You Big State

Reference: Earned Harvey | Harvey-Cleary "Nobody Gets Hurt" Recognition

It is our pleasure to inform you that Mark Popovac has earned a Harvey | Harvey-Cleary "Nobody Gets Hurt" Safety Recognition. This recognition was recommended by Carmelo Tassone (Director).

At Harvey | Harvey-Cleary we encourage our work force and their families to share in the importance of continued safety and reinforcing our slogan "Nobody Gets Hurt". We congratulate and thank Mark Popovac very much for the importance shown and the contributions to safety and the culture that we promote. Safe work efforts are of vital importance to all of the families and employers involved.

Very Sincerely,
Harvey | Harvey-Cleary Management
